# Agenda

- Quick Review
- COD Processing
- NSLDS Processing
- CPS Processing

Public Law 112-141 limits first-time borrowers' eligibility for subsidized loans and limits the interest subsidy for such borrowers on subsidized loans based on the student's program of study

- Affectionately called "SULA"
- Tracking and enforcement of the Direct Subsidized Loan Limitation, or SULA, will be accomplished by the COD system
- Modifications to the COD system to meet the legislative requirements have been implemented in two (2) phases

## COD modifications to comply with SULA were completed in two phases

- COD implementation of SULA Phase 1 identified “first-time” borrowers
  - ✓ A “first-time” borrower is one who had a \$0 outstanding balance of principal or interest on a FFEL or Direct Loan on July 1, 2013 or on the date the borrower obtains a Direct Loan after July 1, 2013
- COD implementation of SULA Phase 2 facilitates monitoring “first-time borrowers” to evaluate how their borrowing for a particular program of study impacts their 150% limitation

150% limit is met and further eligibility is lost when Remaining Eligibility Period is zero (or less)

Maximum Eligibility Period (MEP) is 150% of the Published Program Length in which the borrower is currently enrolled

- Varies by program
- Measured in years or portions thereof
- COD (and NSLDS) calculates using school-reported data
  - ✓ 150% EA #17 posted to IFAP.ed.gov
    - <http://ifap.ed.gov/eannouncements/042015DSLL150PerEA17SchoolMisreportDataCODandNSLDS.html>

## A Subsidized Usage Period (SUP) is the period of time for which a borrower receives a Direct Subsidized Loan

- Calculated on a loan-by-loan basis
  - ✓ Calculated using school-reported data
- Measured in academic years or portions thereof
- Rounded up or down to the nearest “tenth” of a year
- Includes ONLY periods when a Direct Subsidized Loan is received
- NOT related to loan amount
  - ✓ One exception

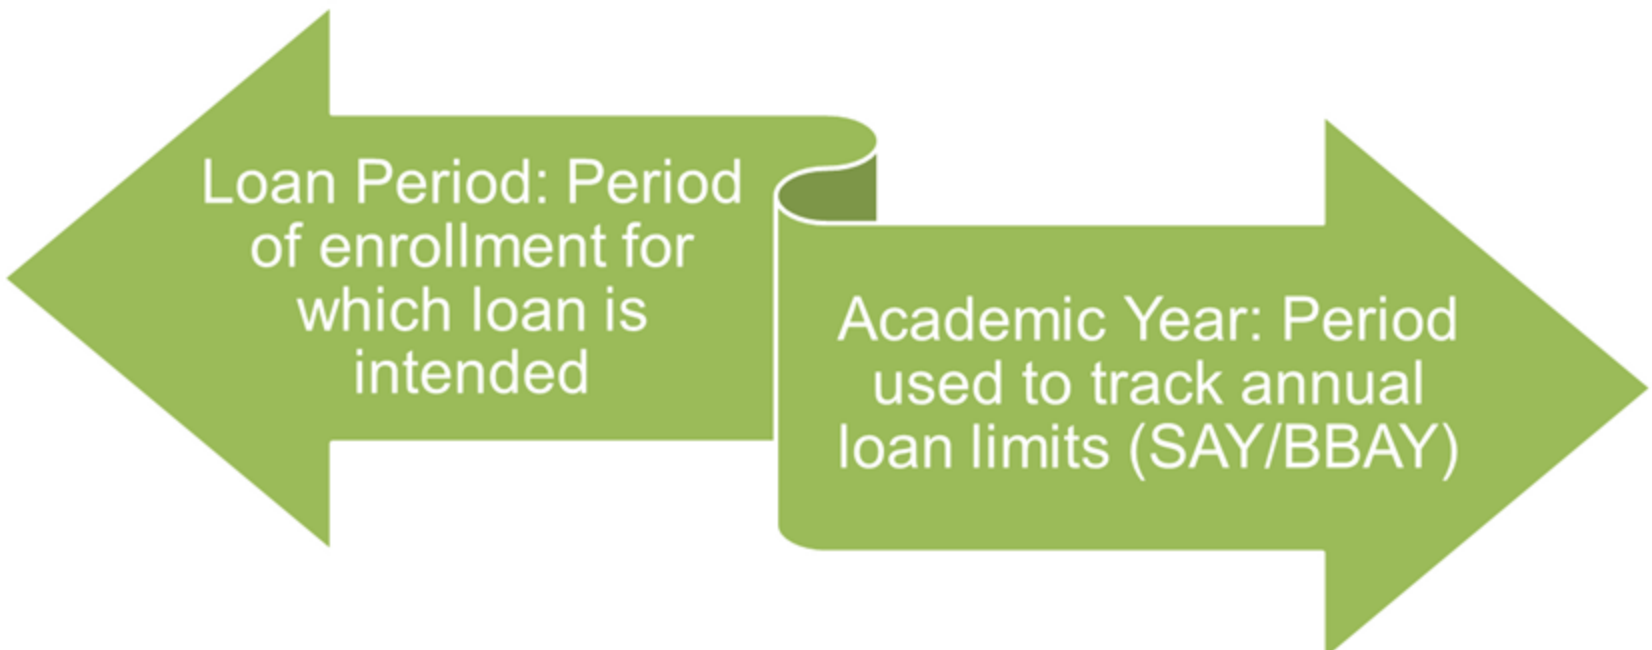

The exception occurs when the conditions below are met...

- The Direct Subsidized Loan amount is equal to the annual subsidized limit for his or her grade level

AND

- The loan period is less than the full academic year of the loan
- EXCEPTION: SUP = 1.0
  - ✓ Pro-rated by enrollment status

$$\frac{\text{\# days in the loan period}}{\text{\# days in the academic year}} = \text{Subsidized Usage Period}^*$$

Loan Period: Period of enrollment for which loan is intended

Academic Year: Period used to track annual loan limits (SAY/BBAY)

\*Pro-rated by enrollment status

## Accurate reporting of the academic year begin/end dates is vital to an accurate SUP calculation

- Your Academic Year is school defined and must be...
  - ✓ A minimum of 30 weeks of instruction and 24 semester (36 quarter) hours of credit for a credit hour based program
- OR
- ✓ 26 weeks and 900 clock-hours of instruction for a program measured in clock-hours
- Make sure your academic year start/end dates correspond to the weeks in your academic year

## Accurate reporting of the Financial Award begin/end dates (loan period) is vital to an accurate SUP calculation

- Required on ALL loan types for ALL loans first disbursed on or after July 1, 2013
- ONLY terms/payment periods that include a Direct Subsidized Loan are part of the SUP calculation
  - ✓ Modify the loan period if appropriate
- Any anticipated disbursements NOT made MUST = \$0
- Award amount MUST equal amount disbursed
- COD will ensure overlapping loan periods for multiple loans will be calculated accurately

Loan Period Length Overlap

## Payment Period

- Each Direct Subsidized Loan is divided into payment periods
  - ✓ Disbursement level element
  - ✓ Each payment period has a start date
  - ✓ The period of time for which disbursed funds provide financial aid
  - ✓ Can be more than one disbursement in a payment period
- Enrollment status can vary from payment period to payment period
  - ✓ If enrollment status is ***inconsistent*** across all payment periods COD calculates SUP for EACH payment period

An Actual SUP will be calculated for EACH Direct Subsidized Loan for a borrower whose “SULA” flag is set to “YES” and...

- At least one disbursement is “Actual” (Disbursement Release Indicator = TRUE)
- If enrollment status is consistent across ALL payment periods...
  - ✓ Actual SUP equals enrollment status x # of days in the loan period divided by the # of days in the academic year
- If enrollment status varies across payment periods...
  - ✓ Actual SUP is the sum of all payment period SUPs

An Anticipated SUP will be calculated for EACH Direct Subsidized Loan for a borrower whose “SULA” flag is set to “YES” and...

- ALL Disbursement Release Indicators = FALSE
- If enrollment status is consistent across ALL payment periods...
  - ✓ Anticipated SUP equals enrollment status x # of days in the loan period divided by the # of days in the academic year
- If enrollment status varies across payment periods...
  - ✓ Anticipated SUP is the sum of all payment period SUPs

A Sum Actual SUP will be calculated, stored, and returned at the student level for a borrower whose SULA flag = “Yes”...

- Will include ALL Actual SUPs for that borrower
- Will NOT include any Anticipated SUPs

A Sum Anticipated SUP will include all Actual SUPs for that borrower AND the Anticipated SUP for that ***unique*** incoming award

- Indicates what the Actual SUP would be if the anticipated disbursements were flagged DRI = TRUE

Remaining Anticipated and Actual Subsidized Eligibility Period SUPs for that borrower are calculated and re-calculated with each new award

- Stored at the award level

## COD generates The Direct Subsidized Loan Usage Change Report when there is a change to a borrower's SULA calculated values

- Triggers on a change to...
  - ✓ Maximum Subsidized Eligibility Period
  - ✓ Actual Subsidized Usage Period
  - ✓ Actual Non-Cred Teacher Cert Subsidized Usage Period
  - ✓ Anticipated Subsidized Usage Period
  - ✓ Anticipated Non-Cred Teacher Cert Subsidized Usage Period
- Sent to all schools meeting the above triggers for the borrower
  - ✓ Contains ONLY prior week changes
  - ✓ Award year specific

COD sends Direct Loan data to NSLDS on a daily basis to be used by NSLDS for SULA calculation purposes

- Used by NSLDS to calculate eligibility for continued subsidy
- Includes student, award, and disbursement data from prior-day COD processing
  - ✓ Subsidized, Unsubsidized, and Direct PLUS Loan data

COD sends DL data

# NSLDS – Loss of Subsidy

NSLDS determines if Loss of Interest Subsidy should occur on a borrower's loan based on the borrower's Remaining Eligibility Period (REP) and program-level enrollment status.

Example #1 – No Loss of Subsidy

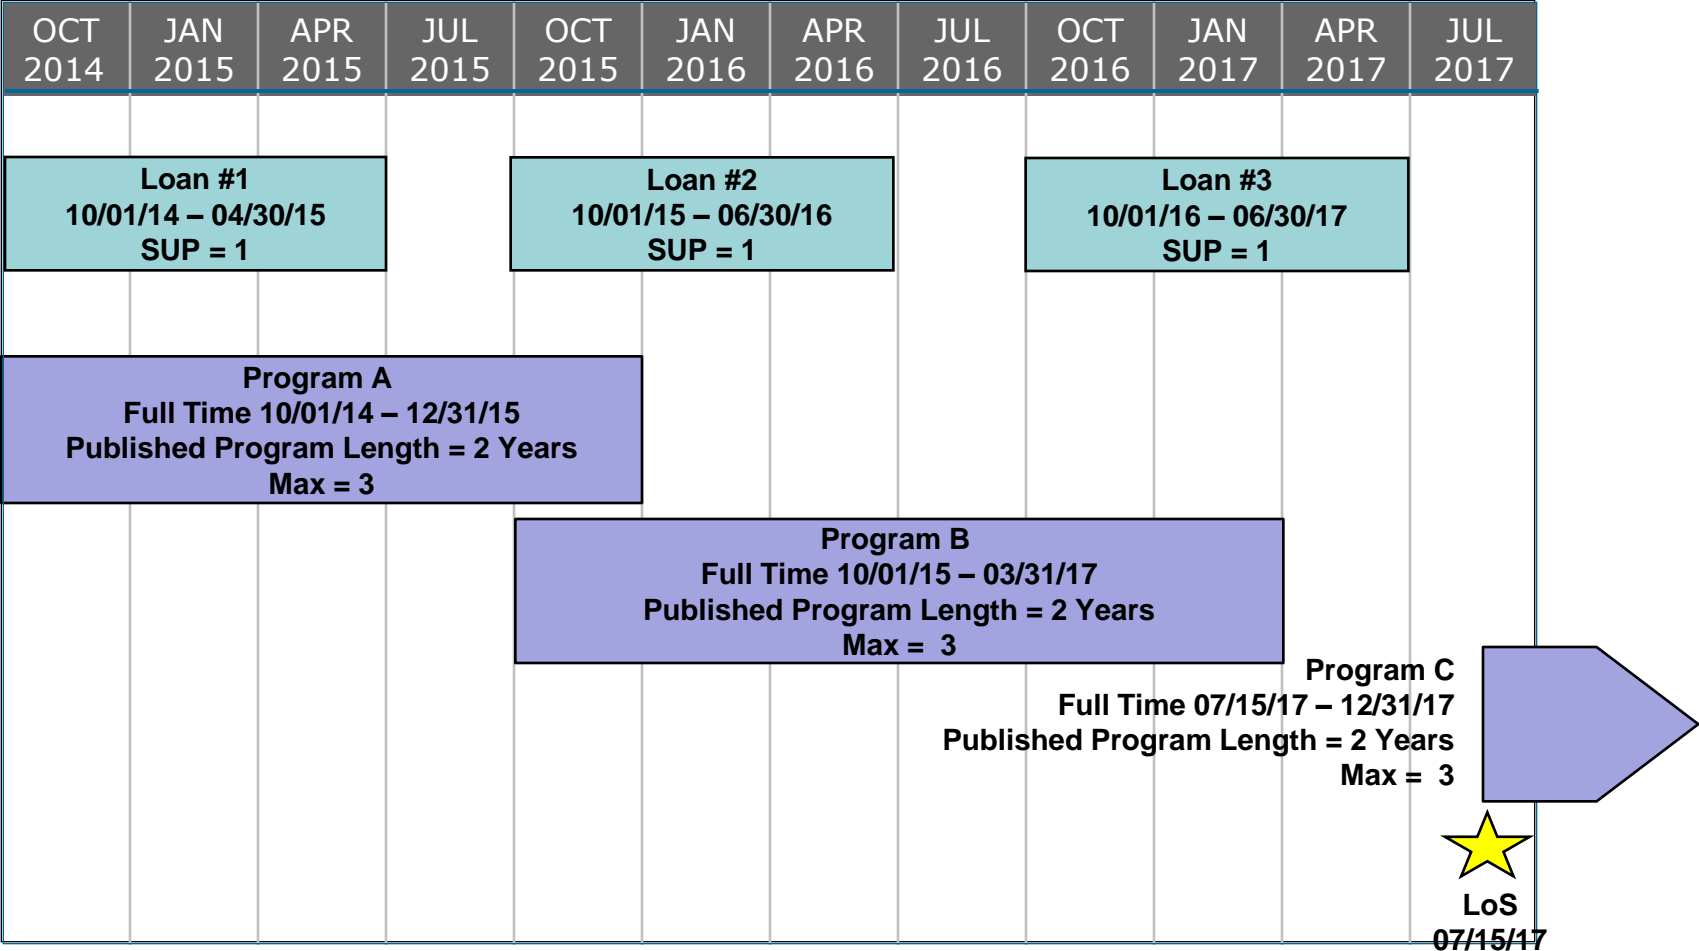

OCT 2014	JAN 2015	APR 2015	JUL 2015	OCT 2015	JAN 2016	APR 2016	JUL 2016	OCT 2016	JAN 2017	APR 2017	JUL 2017	
Loan #1 10/01/14 – 04/30/15 SUP = 1				Loan #2 10/01/15 – 06/30/16 SUP = 1				Loan #3 10/01/16 – 06/30/17 SUP = 1				
Program A Full Time 10/01/14 – 12/31/15 Published Program Length = 2 Years Max = 3												
				Program B Full Time 10/01/15 – 06/30/17 Published Program Length = 2 Years Max = 3								

## Example #1 – No Loss of Subsidy

Borrower's Condition at the End of the Loan Period	
Is the REP $\leq 0$ ?	Yes
Is the Loan Period Begin Date earlier than a graduation?	No
Is there new qualifying enrollment?	No
This borrower does not lose subsidy on their loans as there is no qualifying enrollment.	

# Example #2 - New Enrollment After Loan Period

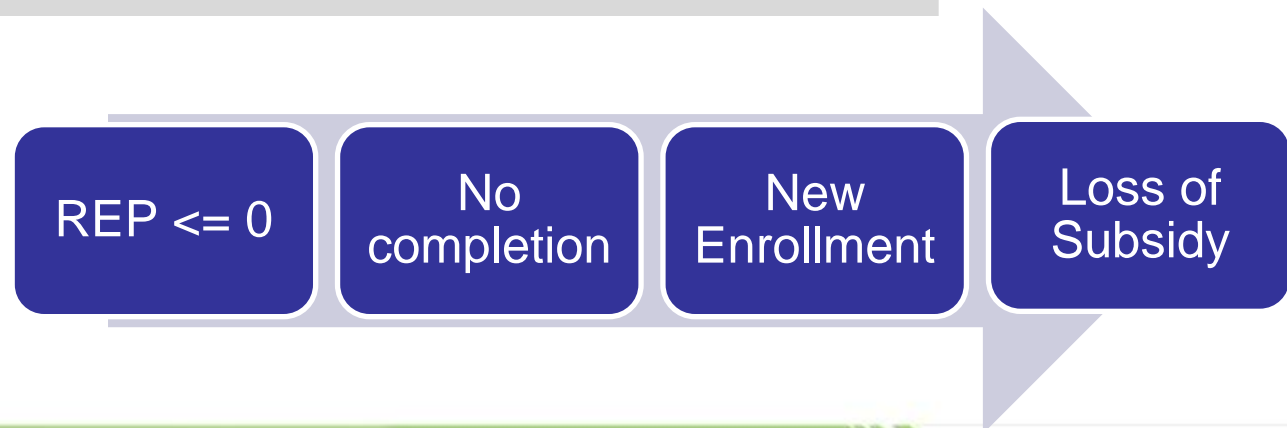

## Example #2 – New Enrollment after Loan Period

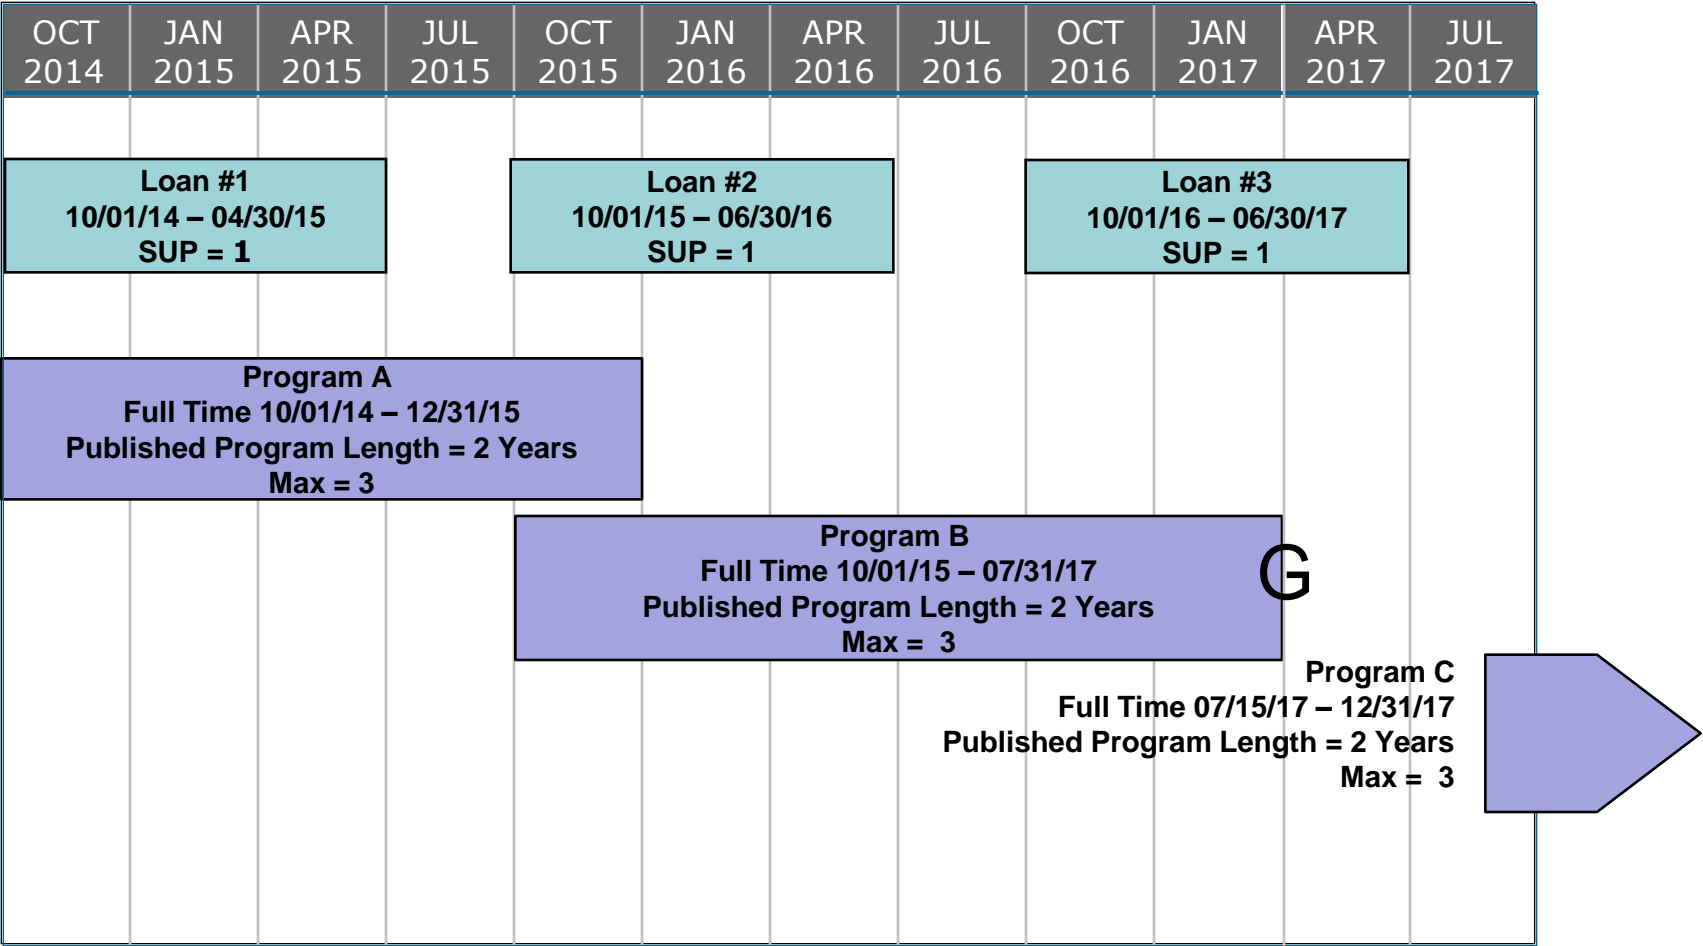

### Borrower's Condition at the End of the Loan Period

Is the REP $\leq$ 0?	Yes
Is the Loan Period Begin Date earlier than a graduation?	No
Is there new qualifying enrollment?	Yes

This borrower loses subsidy on their loans effective on the first day of qualifying enrollment.

# Example #3 - Subsidy Protected by Graduation

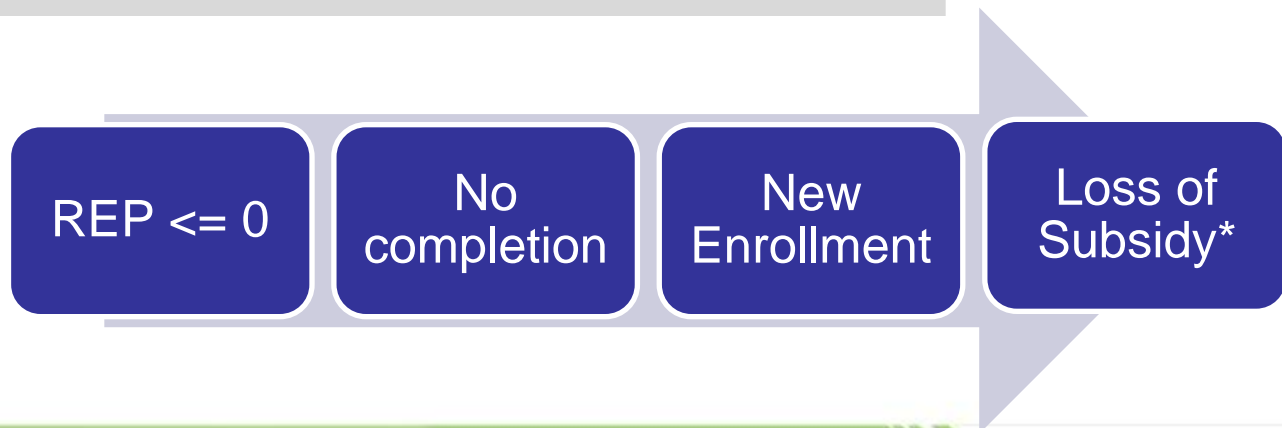

## Example #3 – Subsidy Protected by Graduation

### Borrower's Condition at the End of the Loan Period

This borrower does not lose subsidy on any loan with a Loan Period Begin Date earlier than the Graduation Date.

# NSLDS – Loss of Subsidy

- NSLDS distributes LOS data to the federal loan servicers daily
- Federal loan servicers apply the LOS and respond to NSLDS weekly
  - LOS data is displayed on NSLDS after the federal loan servicer responds
  - LOS data is sent to CPS and studentoans.gov

# NSLDS – Loss of Subsidy

- The NSLDS FAP now displays the new Loss of Subsidy warning icon for borrowers who have lost interest subsidy any:
  - D0 - Direct Stafford Subsidized (SULA Eligible) loans
  - D9 - Direct Consolidation Subsidized (SULA Eligible) loans
- A field has been added to Loan Summary for (D0) and (D9) loans to display the status of the interest subsidy:
